Please specify any unique requirements for your stall:

Optional: Food

Working as an artist/trader at a convention is no easy task for several reasons, not the least of which is getting away to eat. As such, Brocon will be offering the option of lunch for an additional cost. Please check below which option you would prefer (if any), and please don't forget to include any dietary requirements in the text box below. Prices shown are per person.

- Not required
- Lunch €5

Lunch consists of a sandwich, bottled water and crisps in order to accommodate the majority of artists, staffers and committee members. We hope you understand. If you would like other food, we can recommend a variety of places to order from outside of our lunch deal.

Dietary Requirements:**Charity Auction:**

As you may know, Brocon runs a charity auction every year in aid of Pieta House. Each year we offer our traders and artists the opportunity to donate to this worthy cause.

If you would like to donate an item or items to this year's charity auction, please check the yes box below. Please note that there is no requirement or expectation to donate.

- Yes
- No

If you ticked the yes box above, and if possible, please give details regarding your donation in the text box below. Thank you.

Also note that smaller items may be added to lots of several items for value and time saving.

If you have any other queries you would like answered, please feel free to add anything else you have to say in the comment box below. Alternatively, you can email traders_artists@ulbrocon.com with any queries.

N.B.

- Please save the file as your name to help distinguish it and preferably save under the .doc format. If scanning the document .pdf is acceptable. Please send the completed form to traders_artists@ulbrocon.com
- One staffer will be allowed per stall. Additional staffers must pay the going rate for the convention.

Thank you for taking the time to fill in the application, it will be submitted for processing. Confirmation will take a while as other applications come through so please be patient.
